

Beth Vogel personnel announcement

Beth Vogel, RN, MN, MPH, has been named Program Director for The Children's Program of Hospice at Visiting Nurse Health System in Atlanta. A nursing and public health graduate of Emory University, Beth spent nine years at Children's Healthcare of Atlanta, Egleston, as coordinator of the Children's Brain Tumor Center, and as a clinical nurse specialist in NeuroOncology. From 1988 to 1993 she was a clinical nurse specialist in Pediatric Neurology, Neurosurgery and Rehabilitation at Egleston Children's Hospital (now CHOA, Egleston) and from 1987 to 1988 she was a staff nurse in Grady Memorial Hospital's pediatric ICU. Her previous experience includes the directorship of the Central Presbyterian Church's health center. Beth is also an experienced nurse educator and administrator.
